HOME - SCHOOL AGREEMENT

This document should be read together with the school prospectus which sets out specific details about all aspects of school life.

At Alston Moor Federation's Schools, we aim to achieve the highest possible academic standards within a safe and caring community.

As an inclusive school, we will promote an ethos where pupils can thrive, maximise potential and become independent lifelong learners. We aim to increase opportunities and raise aspirations, enabling pupils to successfully develop as responsible citizens.

We believe that this must involve all pupils, staff, parents and the wider community.

On behalf of the school, we shall try to provide learning that:

- is inspirational, enjoyable, meaningful and relevant
- encourages collaboration between pupils, staff partnership schools and the community
- actively develops innovative and creative practice
- helps overcome barriers to achievement
- supports individuals and communities, respecting their differences
- encourages learners to take responsibility for their own learning
