Tutors/Class Teachers

- Model best practice. Be on time for registration sessions, active, alert and ready for the off!
- The Register is an important legal document; take it in silence at the beginning of the morning and afternoon sessions, using it to signal to students that it is time to calm down, focus and to get ready for learning.
- Find out from the Office, or directly from parents, why students have been absent and amend your Register accordingly. Where absence or lateness is a consequence of issues in school, take action to resolve situations, involving Sally Timmons/ Kate Bainbridge as required.
- Be aware that absence hinders progress and ensure that students who have been or are away are being given the work they need to keep up with the others if appropriate.
- Expect students to be on time; ensure that lateness is sanctioned. (SKS)
- Be competitive! Want your Class/Tutor Group to win rewards and prizes!! Get the youngsters with you in this.
